

Southlake Perennial Garden Society
General Membership Meeting
January 12, 2022

The meeting began at 10:00 at the garage of Diane Bradenberg. Members present were each given a pot and a selection of spring bulbs to plant. At 10:40 following the planting, Cathy Vollmer, president, called the **business meeting** to order.

In the absence of the treasurer, Cathy reported the current balances in the **treasury**: general fund \$7355.98. and \$12,053.52 in the garden tour reserve. **Approval of the minutes** of the November meeting has been postponed until next month.

Jan Murrell, reported that there are 16 members attending today with 2 participating by Zoom. Current **membership** is 32. Jan introduced Ann Wise as a new member and Molly Colt who will join next month.

Diane Bradenberg, program chair, announced the **program** for February titled Return to Roses. Details will be in the Evite.

Sally Simpson, Evite manager reminded everyone to check the messages section of the **Evites** and responses for pertinent information.

Katrina Peebles, **Historian**, offered feedback about the December luncheon held in lieu of a regular meeting. Members preferred the luncheon over an evening party. **Thank you Cathy!** The food was most yummy and the settings were lovely!

Cathy introduced the idea of a **Seville Farm Plant Sale** for Spring 2022 if we are not going to have a garden tour. She would like to have a **board meeting** later this month to discuss this and include anyone who might have ideas or would like to volunteer.

This is the season that Tamara Hauser, **nomination** chair is looking for members who might like to serve on the board for 2022-2023. Voting will be in April, the new officers will be announced in May.

There being no further business, the meeting was adjourned at 10:55. Much appreciation goes to Diane Bradenberg for planning this wonderful opportunity to plant Spring bulbs!

Respectfully submitted,
Marilyn Russell, Secretary
